

Here's how it works:

- Fill out the information card inside this brochure and give it to one of our staff members.
- You will receive a nylon “Express Bag” with a loop for hanging, drawstring, and ID tag for your name and phone number along with your laundry and dry cleaning preferences.
- Take your “Express Bag” home and place your garments in the bag when they need to be cleaned. When you're ready to stop by Executive Cleaners, just pull the drawstring and place it in your vehicle.
- For your convenience you may also choose to have us keep your credit card information on file by filling out the authorization in this brochure.
- As an additional time saver you may choose to pull up to our drive thru. A staff member will come out to your vehicle to get your “Express Bag” and you're on your way!
